Post-Conference Meetings at the TWC Workforce Forum

April 19th, 2017, Austin Texas

Both Sessions Are All-day Events

Session 1 (All Day)

Texas AEL Content Standards Rollout

This is the meeting that will launch the release of the revised Texas AEL Content Standards. This event will be the start of a concentrated series of events and materials to support the implementation of content standards in adult education classrooms.

Targeted Audience; Grant Recipient and sub-recipients who are:

- Program directors
- Instructional and curriculum leads

Session 2 (All Day)

Career Pathways Navigator Meeting

Career Pathway Navigators are critical to furthering Texas' support of customer-service integration and customer support. AEL programs with career pathway navigators have proven to be successful providing recruitment, case management, college and career advising and the reduction of barriers to customer success.

Targeted Audience

- Career Pathways Navigators from any TWC AEL grantee
- Workforce Solutions and Vocational Rehabilitation Services partners

Registration is now CLOSED.
