

Cell phones can be a blessing or a curse

One reason that ^a cell phone ^{is} is useful and important

because one day you are driving down a highway and your car breaks down, then that's when you use your phone to call

new
sentence

someone for help. Another important reason that a cell phone is useful is that if somebody dies in your family, they can call you on their cell phone if they don't have a house phone.

There

~~Their~~ are some reasons that cell phones can be a problem.

business

When you are at school or at a ~~business~~ meeting with your boss, your phone should be turned off or put it on vibrate. If you put it on vibrate, it is hard for a teacher or your boss to hear it when someone calls you.
